

Email-1: Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Subject: Extension Request: CSE0001 Assignment - Shlok Mahesh Thakur - 25BAI10020

Dear Professor Kannan,

I hope you are doing well. I am writing to respectfully request a short extension for the digital literacy assignment due this Friday. Unfortunately, due to an unexpected medical issue, I have been unable to complete the final documentation on time. I have already completed the core tasks and would appreciate it if I could submit the final report by next Monday instead. Thank you for your time and for considering my request.

Best regards,

Shlok Mahesh Thakur

Email 2: Write an email from a student to an internship coordinator at a company, expressing interest in a summer internship opportunity.

Subject: Summer Internship Inquiry - Shlok Mahesh Thakur - VIT Bhopal

Dear Internship Coordinator,

I am a first-year B.Tech student specializing in Artificial Intelligence and Machine Learning (AIML) at VIT Bhopal University. I am writing to express my strong interest in a summer internship opportunity with your organization's technical team. I have been developing my skills in Python and foundational Machine Learning, and I am eager to apply this knowledge to real-world projects at Skillflow Learning. I have attached my resume for your review and would welcome the opportunity to discuss how I can contribute to your upcoming projects.

Thank you for your time and consideration.

Sincerely,

Shlok Mahesh Thakur
